Case Officer

18th December 2018

Dear Michelle Hurton,

Unit 8, Freemans Place (DM/18/02988/FPA)

Trustees wish to object to the re-appearance of the previously-refused application to take in part of the access route to/from Millennium Place. Although the public space sought is a little smaller than with the first application, the potential danger in a crowded situation remains the same.

Yours sincerely,

Douglas Pocock

(Hon Sec, City of Durham Trust)
