DM/20/03557/LB - Durham Town Hall

Dear Ms Morina

The City of Durham Trust is pleased to see this application for essential repairs to Durham Town Hall.

It is generally an excellent catch up on repairs including roof, upper rear walls, windows and front balcony rail. All are based on sound conservation principles. We couldn't find the interior panelling proposals – so a little short on description – but otherwise excellent by the Design and Conservation team.

Yours sincerely

John Lowe
