Temporary change of use of part circulation/amenity space to allow outdoor seating areas (until 30th September 2021)

Dear Ms Eden

The concerns about spacing of the seating have been resolved but our concerns remain about the parasols obscuring the view of the Grade 2 listed half-timbered building set down at the back of the terrace (Old Toms). In addition, as winter approaches, we would not wish to see the use of outdoor heating in these areas.

Yours sincerely

John Lowe
