Dear Ms Jennings

The City of Durham Trust is pleased that this important building has been restored, though disappointed at its final appearance. It is also pleased to support this application to restore its use for retail, particularly at a time when other retail outlets in the city centre are closing.

We do have one reservation: in box 14 of the Application Form, it is stated that there are no plans for the storage and collection of waste and recycling materials. Surely this is unacceptable in any location and especially so on this key route to the Castle and Cathedral.

Yours sincerely

John Lowe  
Chair, city of Durham Trust
