**Display of Advertising Board at the Junction of Framwellgate and  
Milburngate**

Dear Ms Stephenson

The City of Durham Trust fully understands the need to advertise the office space currently under construction at Milburngate. However, the proposed advertising board would be located near one of the busiest junctions in the city. It therefore has the potential to distract pedestrians and road users. The documentation supplied by the applicant is rather thin and the Trust would welcome an assurance from Highways officers that the board will not obstruct the lines of sight for both pedestrians and road users.

Yours sincerely

John Lowe  
Chair, City of Durham Trust
