**Installation of Solar Panels at the Freeman's Quay Leisure Centre**

Dear Ms Penman

The City of Durham Trust is pleased to support this application to install solar panels on the roof of the Freeman's Quay Leisure Centre. This is fully in accord with the County Council's commitment to tackle climate change. We are particularly pleased to see that the *Design and Access Statement* refers to the Durham City Neighbourhood Plan's key objective to promote a city with a sustainable future.

Yours sincerely

John Lowe
