DM/22/00452/FPA: Boathouse Yard

Dear Ms Penman

The City of Durham Trust supports in general terms the proposed improvements to Boathouse Yard. However, Historic England has sounded some notes of caution due to the high heritage significance of the site and the Environment Agency requires a flood risk assessment. Subject to the satisfactory outcome of this further work the Trust will be delighted to welcome the proposals.

Yours sincerely

John Lowe
Chair, City of Durham Trust
