Dear Ms Morina

The City of Durham Trust is pleased to see the proposed reduction in height of these houses, but otherwise our substantive objections made in earlier responses (5 July 2021 and 1 March 2022) still stand.

It is ironic that there is a strong general desire to see this redundant garage site appropriately developed, while at the same time there is equally strong opposition to the actual proposals.

Yours sincerely

John Lowe  
Chair, City of Durham Trust
