Fellows' Garden, Durham Castle

Dear Ms Woodruff

The City of Durham Trust welcomes this sensitive proposal for refreshing the landscaping of the Fellows' Garden and providing accessible facilities. It is pleasing to see that the improvements are intended to benefit the wider community as well as members of the University.

The historic significance of the garden is respected and enhanced by this proposal which is particularly welcome after many years of comparative neglect of the historic gardens in the castle area, a Grade 1 Listed World Heritage Site.

Yours sincerely

John Lowe
Chair, City of Durham Trust
