Dear Mr Fenwick

DM/24/02099/LB: The Almshouses and Pemberton Building, Palace Green

The City of Durham Trust is delighted to support this application for Listed Building Consent to carry out repairs to the roofs of the Almshouses and the Pemberton Building, as well as associated repairs. They are important buildings facing Palace Green and their refurbishment will add considerably to its appearance. The works have been sensitively and expertly designed.

Best wishes

John
