23 September 2024

Dear Ms Penman

DM/24/02447/AD: Notice Board at the Playground in Laburnum Avenue

Trustees of the City of Durham Trust considered this application at our meeting on 17 September and we strongly support the application. It will be one more step in the moves to rehabilitate the playground area. It is a considerable distance from any other such notice board. They are of considerable benefit to the local community.

Best wishes

John
