Dear Ms. Scott,

DM/26/02296/LB - The Hall, Croxdale, Durham, DH6 5JP

Partial dismantling and rebuilding of a portion of walled garden, repair and conservation works to masonry walls and coping stones and replacement of concrete cappings with new stone copings.

The City of Durham Trust wishes to support this application for Listed Building consent to repair the walls of this important historic walled garden at Croxdale Hall.

The walls surround a remarkably intact historic garden, designed for William Salvin c.1765. Its importance is recognised as part of the Grade II* registered Park & Garden at Croxdale Hall.

The Trust also wishes to commend the high quality Heritage Statement submitted as part of the Listed Building consent application, which sets out very fully the historic significance and need for these works to be conducted in a sensitive manner.

Yours sincerely,

Allan Gemmill
